## **DETAILED ACTION**

### ***Response to Amendment***

1. Applicant's amendment dated 12/8/2006 has been received.
2. Examiner notes the incorporation of the subject matter previously indicated to be allowable of Claim 13 into independent Claim 1.

### ***Allowable Subject Matter***

3. Claims 1-8, 10-12 and 14 are allowed.
4. The following is an examiner's statement of reasons for allowance: no prior art of record discloses or otherwise suggests a spread illuminating apparatus with light control means as claimed per Claim 1 with emphasis on such an apparatus having "...a plurality of transparent rectangular solids are stacked one over another...wherein the adhesive to put together two adjacent rectangular solids has a refractive index which is at least equal to a refractive index of one of the two adjacent rectangular solids having a smaller refractive index, and which is at most equal to the other one thereof having a larger refractive index." The remaining claims are allowed given their dependence on Claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
